- 😊 Extra Videographer

Have family far away that would like to join your special day live? Don't use Grandma's iPhone 5. This package includes a live stream and multiple angles to make sure they don't miss out on the fun!

This package requires an extra videographer in order to switch camera angles / monitor the live stream.

Travel costs may apply if outside of Christchurch. Drone footage is included in all packages however is weather and time-dependent. Raw footage can be added for an extra \$500 and includes a 1TB hard drive.

Luxury wedding films aren't for everyone but if you're going to go with Uncle Bob because he "has a new camera" then make sure he has enough batteries and SD Card space 😊
